About Us:

Evimm, as a real estate consulting firm based in Istanbul, offers a wide range of property and investment solutions to its clients. With years of experience, our company specializes in both second-hand and new projects, providing services not only across all cities in Turkey but also in Dubai, Greece, and Northern Cyprus.

Pre-Sales Services

Real Estate Consulting:

We provide expert support throughout the buying and selling process in Turkey, Dubai, Greece, and Northern Cyprus. For clients who wish to see real estate projects on-site, we organize project tours with our expert consultants. Our services are available in Turkish, English, and Persian.

Legal Consulting Services:

We ensure the security of your legal transactions during the investment process with our professional lawyers. We assist you with title deed transactions, citizenship applications, residence permits, and other legal processes.

Airport Transfer:

We offer comfortable and secure transportation from the airport to your accommodation for our clients. Our transfers are conducted with VIP vehicles.

Hotel Accommodation:

We provide comfortable accommodation in selected hotels for our clients. Your comfort during your visit is our priority.

Investment and Financial Consulting:

We help you make the best decisions by calculating the return on your investment and your profits.

Post-Sales Services:

Property Management:

We professionally handle the rental and maintenance processes of your property.

Interior Design and Furniture:
Our experienced interior designers can redesign your home. We offer customized living spaces tailored to your needs and tastes.

Accounting Services:

We provide professional services for your tax and accounting needs, assisting you at every step.

Insurance Services:

At Evimm, we ensure your safety with both personal and property insurance. We offer various insurance options tailored to your needs, protecting both your home and yourself from various risks. Additionally, we can arrange any special insurance types you require.

Company Establishment and Business Consulting:

We offer strategic consulting services for your new businesses. From the company establishment process onward, we guide you in determining the best strategies aligned with your goals, helping you build your business on solid foundations.

Business Follow-Up and Legal Services:

To enhance your quality of life, we manage all administrative and legal processes on your behalf, smoothly tracking your business affairs. We handle all details for you, allowing you to redirect your time and energy to other areas.

Real Estate and Investment Opportunities:

We present real estate and investment opportunities. By identifying services that best meet your needs, we facilitate profitable investments. Together with our expert team, we support you in achieving your goals.
